Dear Mr. Pfeiffer,

I am at a loss what answer to return to this second summons.,and await your instructions. I am returning to town on Saturday for good.

Of course I knew that you would not want me to go to Jersey City but was not sure of the exact type of response you would wish me to give. Shall pay no attention to this until I hear from you.

I perfectly understand that I can be of no service to Frances but really think the case of Willie is different as I know his devotion to his brother in law, the happiness Edward had brought him.

Also + questioned him at once and searhingly when
he was in a broken and malleable state. Remember that
I was ten days ahead of you in the matter and got the
first reactions.

My address from Saturday on is 50 West 67,
Tel. Susquehanna 9490.

I heartily congratulate you on se curing the
Somerset Jury.

Very sincerely yours

S. M. P. Lee

Sept. 27th. 1926.

Shall + answer as per enclosed ?
